

Remarks

Claims 1-18 remain in the application and were allowed as filed.

This amendment is submitted under the provisions of Rule 312 and requests the entry of changes to the specification and claims. The requested changes are of an editorial nature and do not affect the scope or direction of the claimed invention.

No new matter is added.

All claims (1-18) were allowed as filed. The desirability of the requested changes was discovered upon a final review of the application upon receipt of a notification of its allowance as filed.

The Rule 312 amendment also requests changes to drawings, FIGS. 1-7 and 9 to add additional part number designations. Attached are a set of revised drawing sheets as well as a red-lined set showing the requested drawing changes. The original Replacement Sheets and Annotated Marked-up Drawings will be submitted this date by U.S. mail.

Respectfully submitted,

Date: 24 Mar 04
